Maybe he hasn't come up with an opponent for the first match yet?
This author is so
This... I'll go take a look...
I'm only interested in Igo. The rest I don't care about!
HOW CAN YOU CALL YOURSELF A SHU-SHOU?
Never mind
Oh my God
As long as the opponents look like easy-going people...
Even if we don't face that kind of people...
It'd be good if we are to face people like that...
I'm an expert on the forces of motion-
Oh? Many of Judo's nage-wozas are based on the theory of pendulums?
Right! I know Judo's history by heart now

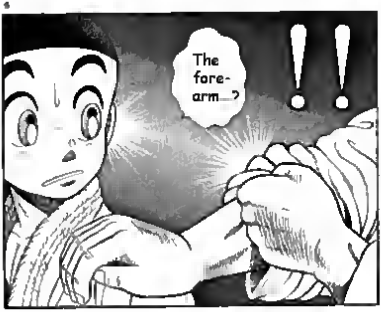
Is not "A" for Amateur
The "A" in [A] wrestling
Doesn't look... Doesn't look easy-going at all!

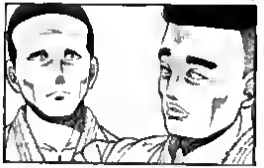


The fore-arm...?

It's "A" for Arm!

A Arm ?

KC: Text in original was converting English term into Japanese.



WAH WAH WAH!
A little fly fly weight? I weigh over 50Kgs at the very least
Using just one arm...?
A little fly weight brat like you?
Looks like the rumor about Kyokutan-ryu's team containing the elderly and the very young is true after all
Even a guy like him made the team
That's true...
What the hell is this?
If we fight a team of mosquitoes like them...
We'll end up as the laughing-stock of the whole tournament!

I don't really mind...
You you might say that
For forfeit
How would that look? Why don't you just FORFEIT?
Do you hear me?
After all it's obvious who's gonna win match or no match!
EVEN AN ARM WRESTLING CLUB...
I didn't really expect that...
YOU LOSER!
IS THAT ALL YOU SAID?
Sorry
I... We...
Will handle it...

But...
It's really hard to believe..

What's so good about a reserve?
IF IT WAS JUST SHINDO, THAT'S UNDERSTANDABLE, BUT DOESN'T KYOKUTAN-RYU HAVE ME MOMOTARO UROSHINO'S GREAT PRESENCE BACKING THEM UP NOW?
WOULD DARE TO LOOK DOWN ON US!

There's actually people who haven't heard of Kotaro...

We don't think much of them at all!
This

He's just the biggest pervert in the school-
And the loser who lost to the big pervert that's all!

There's too much of a gap in physique
And the Kyokutan-ryu includes the old the young and there's even girls!

To show a bunch of fools how vast the world truly is-
That's our style.

"OLD FRIEND"

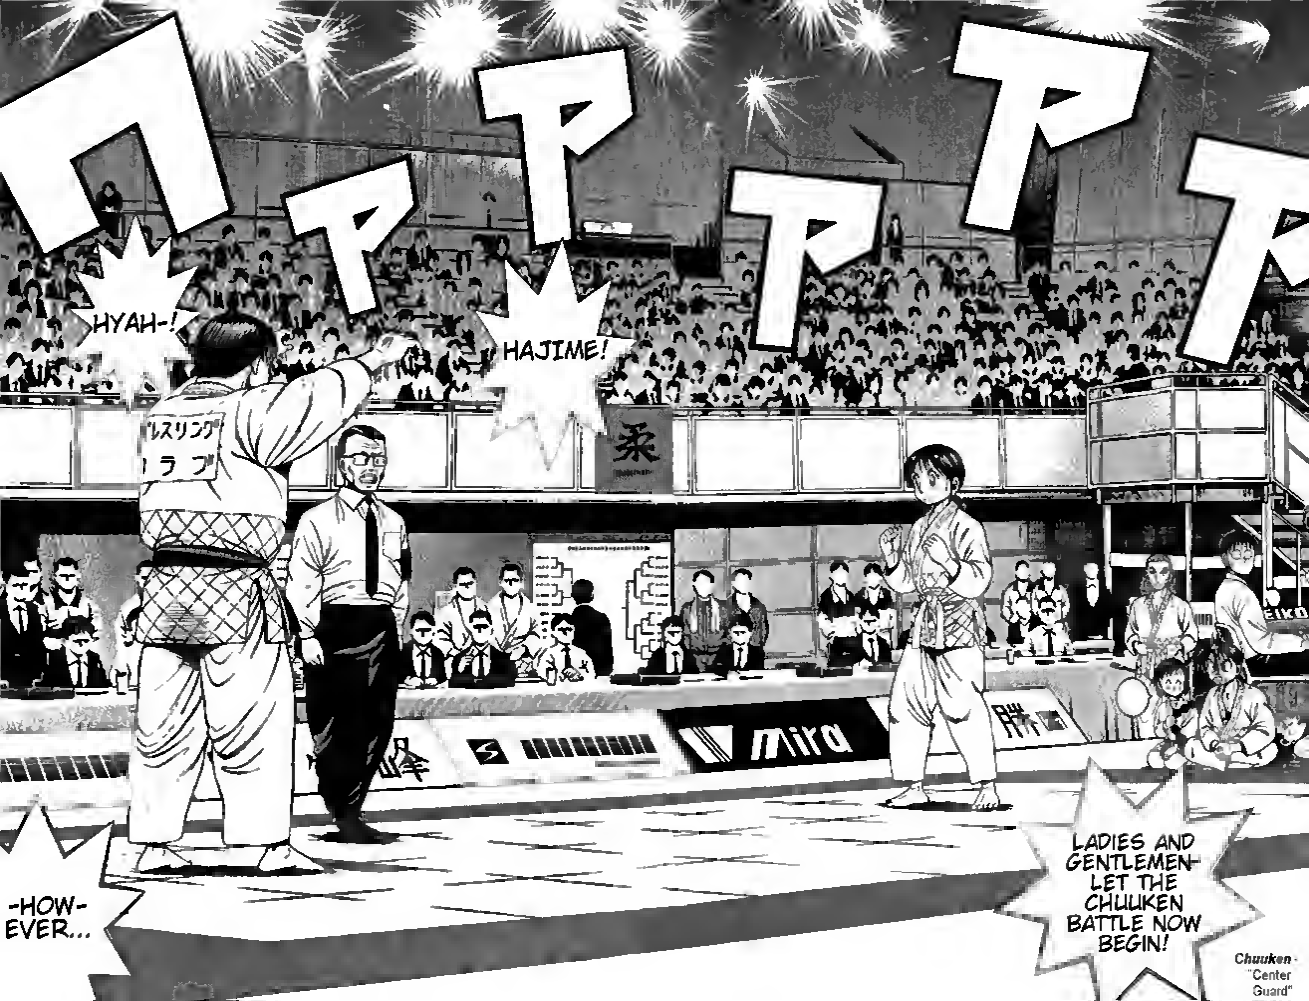
By Gorago Gold

(Hiruta)
Me and Hiruta go back to primary school
I'm the guitarist Shingen Ito from Eternity!
We used to love playing the "break each other's bones" game
The evidence is
Like this-
Apparently the character Kotaro was based on me
YOU ASS HOLE --!!
ENCORE!
WOW!
Secret technique- "Resurrection"!
What did I do in a past life to deserve an old friend like Ito--?

The Secret Code Is...?

Hiruta sensei shares a magazine with Kinda Ichi an extremely popular Shonen Detective manga series The series of T's and O's actually work out to be the solution for an issue of Kinda Ichi at that time More details in Vol 8 from Hiruta himself

The Secret of
"Kuzushi"!

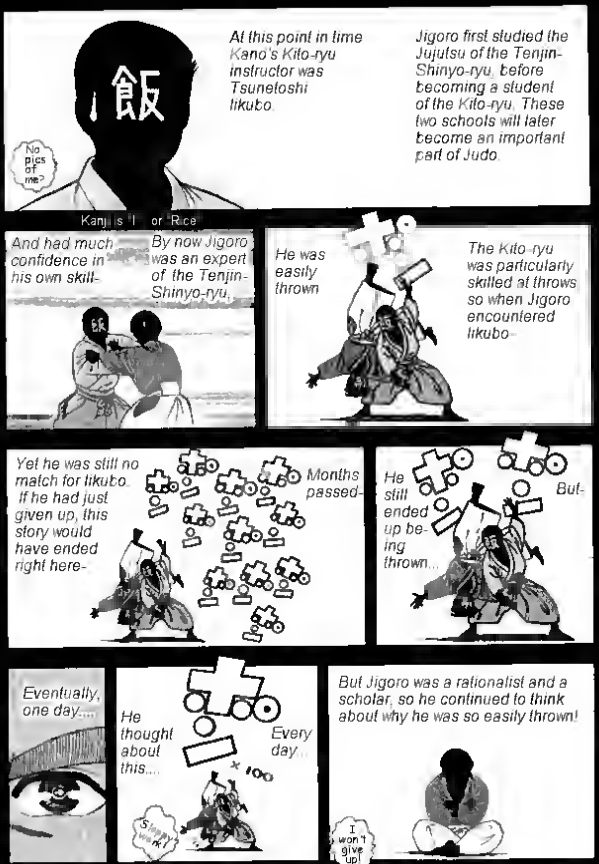


HYAH-!
HAJIME!
-HOW-EVER...
LADIES AND GENTLEMEN- LET THE CHUUKEN BATTLE NOW BEGIN!
Chuuken - "Center Guard"

WATASE SENSHOU BY CONTRAST IS JUST A WHITE BELT!
AND HAD NO PREVIOUS JUDO EXPER-IENCE!
AS WELL AS THAT-
THE ARM WRESTLING CLUB'S CHUUKEN HACHIKO SENSHOU HAS BEEN COMPETING IN JUDO COMPETITIONS SINCE JUNIOR HIGH SCHOOL-
Don't put Chuu-ken in front
STANDING AT 185CM WITH A WEIGHT OF 95KG, HE IS DEFINITELY A HEAVY WEIGHT DIVISION SENSHOU!
Chuuken Hachiko Loyal Dog Hachi ko See Notes
What's that kind af data gaad far?
Good, good.
Hear that? Uplaad that right naw!
TOLD YOU TO NOT BROAD-CAST USE-LESS NFO LIKE THAT!
SHE MIGHT BE IN A CLASS OF HER OWN WITH THAT B86 W57 H87 BODY-
!!
BUT THERE IS JUST TOO MUCH OF A GAP IN THEIR PHYSIQUE!

MIRACLE FROM MIFUNE SENSHOU, IT'S A LITTLE HARD TO BELIEVE....
IF SHE WANTS TO RECREATE LAST MATCH'S-
Well DUH!
HMPH!
...It is true that Mayumi has not been practising Juda far lang...
But you can't really say that either-
How can she compare with granny's century af experience?
I'm not that experienced
Same w th h m
Same as you right?
Mayumi has only been practising Juda far a week!
5
PERK
You just be quiet!
SO EVEN IF YOU LOSE IT'S OKAY! BEFORE HE CAN DO ANYTHING TO YOU-
MAKE HIM GROVEL ON THE GROUND WITH YOUR FAVORITE NUTCRACKER KICK!

Because the founder of Judo, Jigoro Kano, he himself had only practised Judo for five years-
!!
When he discovered the essence of Nage-wazal
His father was against this, so he had no choice but to set that aside- for now-
It will be a scholar's world!
At that time he had his heart set on learning Jujutsu so he could avenge himself, but it was the time of the Meiji Restoration-
As a result he was often bullied by his peers.
Jigoro Kano was a weak and sickly child. He was also quite short.
Shorty!
First student~ hehe!
Not until he was 18 years old did he enter a Jujutsu dojo as he wanted.
Umm... this...
"Under 18's Forbidden The Erotic Dojo"
"Osteopath & Jujutsu Instructions this way"



飯
No pics of me?
Kanji is 'I' or 'Rice'
At this point in time Kano's Kito-ryu instructor was Tsunetoshi Iikubo.
Jigoro first studied the Jujutsu of the Tenjin-Shinyo-ryu, before becoming a student of the Kito-ryu. These two schools will later become an important part of Judo.
And had much confidence in his own skill-
By now Jigoro was an expert of the Tenjin-Shinyo-ryu.
He was easily thrown
The Kito-ryu was particularly skilled at throws so when Jigoro encountered Iikubo-
Yet he was still no match for Iikubo. If he had just given up, this story would have ended right here-
Months passed-
He still ended up being thrown...
But-
Eventually, one day....
He thought about this....
Every day...
x 100
Surely I can!
But Jigoro was a rationalist and a scholar, so he continued to think about why he was so easily thrown!
I won't give up!

The eye when the mystery is solved (Kinda Ichi)

He finally discovered a certain principle !
HEH!

TSK!
WATASE SENSHOU CONTINUES TO AVOID HEAD-ON CONFRONTATIONS!
TWENTY SECONDS INTO THE MATCH-
AIスリング クラブ
As I recall...
HEAD-ON CONFRONTATIONS ARE CERTAINLY NOT TO WATASE SENSHOU'S ADVANTAGE!
SHIDO!
OH NO! WATASE SENSHOU-
ACTUALLY DID GET AN "SHIDO" FROM THE REFEREE!
Ha
MATTE
HOW-EVER-
matte Pause

Book Title Judo Classroom for Good Kids
YOU BIG BAKA! HOW CAN YOU NOT KNOW A RULE LIKE THAT!
Don't think I didn't see that! You had no idea either!
And reading that kind of book too!
Is a coward and a bad kid!
A kid who keeps on running away from his opponent and won't fight

MATTE!
HAJIME!
But...
Chuui Attent on
WATASE SENSHOU STILL WON'T MEET HIM HEAD-ON!
SHIDO! THAT MAKES ONE CHUUI!
ANOTHER SHIDO IS AWARDED AGAINST HER!
10
EVEN IF SHE LOSES DUE TO PENALTY POINTS-
NOT TO MENTION THAT WATASE SENSHOU NEVER HAD MUCH CHANCE OF WINNING THIS MATCH!
TWO "SHIDO"S COUNT AS ONE "CHUUI", SO HER OPPONENT IS NOW AHEAD ON POINTS!

You want me to kick yours?
Nutcracker kick! Nutcracker kick! Nutcracker kick!
Since you are ganna lase anyway use the nut-cracker kick!
Yeah, Yeah!
That'd be na fun at all!!
SEEMS TO BE A SMARTER CHOICE!
TO KEEP RUNNING AWAY IN THE TIME REMAINING-
It looks like it's going to work!
How-ever
Far a beginner Mayumi's tactic is actually quite cammendable
It's nat surprising that she fails ta remember all the little rules
Even withaut you reminding me-
Hah!
YOU HEAR ME? CHUU-KEN HACHI-KO!
IT'S SHAMEFUL TO BE DEFEATED BY A WOMAN, BUT WINNING LIKE THIS YOU LOSE FACE TOO!
Don't ink it together
レスリング クラブ
What are you dragging your feet for!
Damn it_!

HAJIME!
HAVEN'T YOU RUN AWAY ENOUGH YET!
I'M TIRED OF PLAYING HIDE AND SEEK WITH YOU!
Ah
Sssss

What the!?
CLICK
The principle that Jigara Kana had discavered was-

BONK!
Threw him so easily!
That is why the opponent-
I know the secret now!

Strictly speaking, he is forced into an extremely unstable position!
THIS IS IT!
A man's center of balance is extremely unstable a split second before being thrown!
what a noisy student

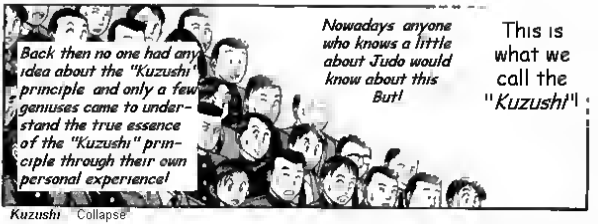
Some how make the opponent end up in a position that is easier for you to throw-!
Therefore, the whole point of Nage-waza is- before throwing the oppo-nent-

14

Once he loses his balance, all of these advantages can no longer be used-
No matter how big or strong they may be....

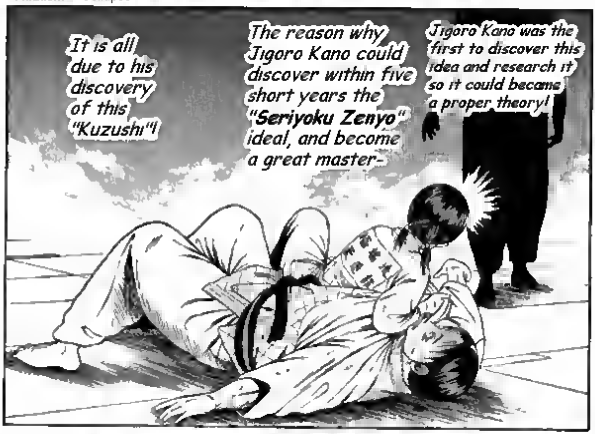
And he becomes powerless!
Then with your own strength which was originally far inferior to the opponent's-
If you can make your move when the opponent is in such a state-
15
Add to that the Earth's gravity-

You will then be able to throw the opponent successfully!
GAA
ARK!



Back then no one had any idea about the "Kuzushi" principle and only a few geniuses came to understand the true essence of the "Kuzushi" principle through their own personal experience!
Nowadays anyone who knows a little about Judo would know about this But!
This is what we call the "Kuzushi"!

Kuzushi Collapse



It is all due to his discovery of this "Kuzushi"!
The reason why Jigoro Kano could discover within five short years the "Seriyoku Zenyo" ideal, and become a great master-
Jigoro Kano was the first to discover this idea and research it so it could became a proper theory!

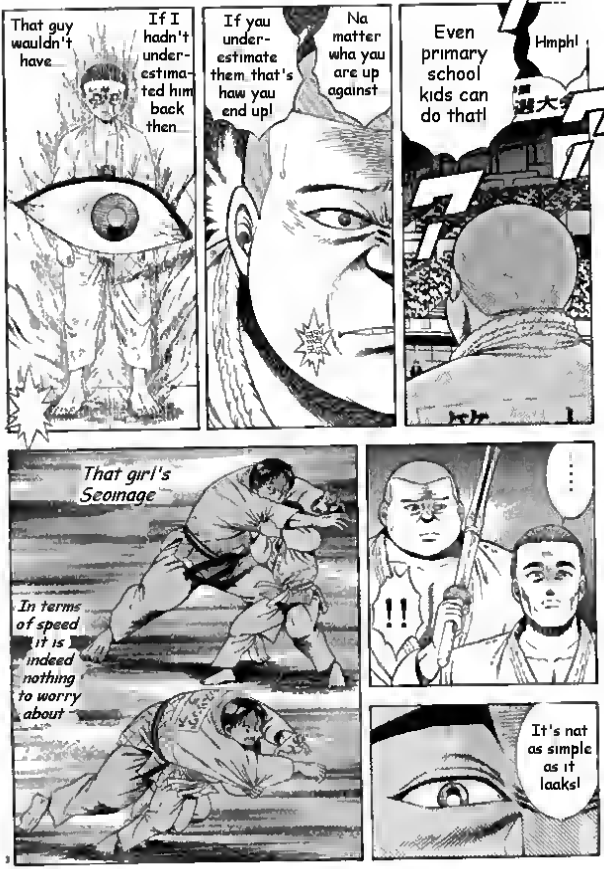
17

EVERYONE IS STUNNED BY WATASE SENSHOU'S SURPRISING VICTORY!
THIS IS WONDER-FUL-!
She, s w th me
OW!
SHE ACTUALLY DEFEATED HER OPPONENT AND SCORED AN IPPON!
Ma-yumi she-
Even as she exploited the "Power"-
18
"To make the most effectiv e use of the power inside your heart that is the way of Judo."
As Master Jigoro Kano said
She also exploited the opponent's "Impatience" in order to win.

I'm so sorry~!
You are the one moaning on the floor, and not me!
Urr Urr
WAH~!?
Let me give you a reward!

HERE AT THE JUDO SECTION OF THE SCHOOL'S SELECTION TOURNAMENT
THE CROWD'S EXCITEMENT IS REACHING A CLIMAX!

THE SURPRISING PERFORMANCE FROM THESE TWO BEAUTIFUL YOUNG FIGHTING GIRLS!
AND THE REASON IS-
Oh my!
You are a d sgrace
THE TWO OPPONENTS THAT THEY EASILY DEFEATED MAY NOT CURRENTLY BE MEMBERS OF A JUDO CLUB, BUT THEY ARE PHYSICALLY IMPOSING, AND BLACK BELTS AS WELL!
NOW THAT THEY ARE AHEAD ON POINTS, PARTS OF THE KYO-KUTAN-RYU TEAM ARE "JUMPING FOR JOY"!
Mayumi did this to us.
I'm supposed to go in now

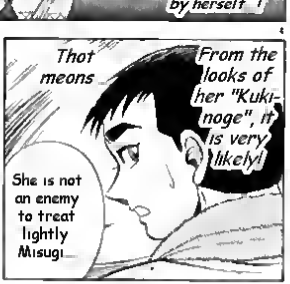


That guy wouldn't have
If I hadn't underestimated him back then
If you underestimate them that's how you end up!
No matter who you are up against
Even primary school kids can do that!
Hmph!
That girl's Seoinage
In terms of speed it is indeed nothing to worry about
!!
.....
It's not as simple as it looks!

With an action as good as that it's hard to believe she's only a beginner!
"Kuzushi" may be an easy concept to grasp but it's not that easy to throw such a well built person either!
But her movements were very precise!
Such high praise from a Seoinage expert like you?

Must be!
Could it be...
She is sure to have been instructed by an expert
But it's simply impossible for an amateur to improve so visibly within such a short time training by herself!

...Eh?
That g rl
Is gone too?
HOW LONG DO I HAVE TO KEEP COLLECTING DATA MYSELF?



That means...
From the looks of her "Kukinoge", it is very likely!
She is not an enemy to treat lightly Misugi...

She threatens my relationship with him....?
That it could turn out to be that little brat!
I never imagined

That little girl is no match for me at all!
Wealth estimated in billions! Impeccable family name!
And the body is a foregone conclusion!
In terms of beauty I Misugi holds the advantage of course!
As for Judo
I will abso-lutely...
As for Judo

BUT IN FACT...
KYOKUTAN-RYU'S FUSHOU IS TENZEN SHIKATO SENSHOU!
AS EVERYONE CAN SEE, HE APPEARS TO BE A SMALL OLD MAN!
Isn't this a high school comp?

KYOKUTAN-RYU HAS PRACTICALLY WON NOW!

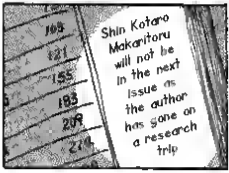
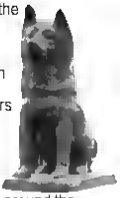
"THE TRUTH ABOUT RESEARCH TRIPS" By Aoyama



Chuuken Hachiko



Hachiko was a famous example of the Akita breed's loyalty and steadfastness. He would accompany his owner to the station every day and then meet him in the afternoon when he came back. His owner died one day at work, but for the next ten years Hachiko continued to show up at three in front of the train station to welcome his master. When he finally died, his body was stuffed and given to the National Science Museum, and there are two statues around the Shibuya Station in Tokyo dedicated to his loyalty.

Names

Since I decided to follow the English convention and put surname second, this causes some minor difficulties with the puns that make up the Arm Wrestling Club's members' names. However, since most of you probably don't read Japanese, it shouldn't really matter.

Tadano Ei "Just the First" (?)
Shino "The Secondary"
Chuuken Hachiko "Loyal Dog Hachiko"
Adomaga Uchizukui "Back against the wall"
Chiishuuno Senshi "The Final Warrior"
